

K-One Technology Bhd. and its subsidiaries, jointly known as the K-One Group, is a technology solution provider listed on Bursa Malaysia. It is principally an innovator, designer and manufacturer of IoT products, computer peripherals, surveillance gadgets, consumer electronic lifestyle products, healthcare devices, industrial products, mobile phone accessories and automotive aggregates, primarily for multinationals worldwide. In view of our expansion, we are seeking a suitably qualified candidate to fill the following position:

Automation Engineer (Location – Ipoh)

Responsibilities:

- To design and implement automation equipment and tooling to enhance manufacturing processes.
- To work with process owners in providing technical expertise in automation system design, proof of concept (POC), system installation and set-up.
- To prepare documentations for automation systems such as fabrication drawings, electrical circuitry diagrams, maintenance drawings and operation manuals.
- To lead automation systems commissioning, set-up and buy-off prior to transfer to manufacturing.
- To support continuous improvement on existing assembly processes and identify opportunities of improvement for system upgrading or automation.

Requirements:

- Degree in Engineering (Mechatronics/E&E/Mechanical/Industrial/Software).
- At least 3 years hands-on experience in factory or process automation.
- Experience in machine mechanical design, sensor application, pneumatic and servo systems.
- Proficient in wiring diagram design, debugging of electrical issues and sensor applications.
- Familiar with equipment host software using SECS GEM, PLC, C++ language programming or microcontroller application.
- Proficient in Solidworks and AutoCAD.
- Strong interest in technical design and hands-on assembly for robotic application/factory automation.
- Creative and able to work independently.

Interested candidates are invited to apply online or write-in with your detailed resume stating personal particulars, qualifications, employment history, current and expected salaries, contact no. and passport-sized photo (n.r.) to:
