

K-One Technology Bhd. and its subsidiaries, jointly known as the K-One Group, is a technology solution provider listed on Bursa Malaysia. It is principally an innovator, designer and manufacturer of IoT products, healthcare/medical devices, computer peripherals, surveillance/security gadgets, consumer electronic lifestyle products, industrial products, mobile phone accessories and automotive aggregates, primarily for multinationals worldwide. In view of our expansion, we are seeking a suitably qualified candidate to fill the following position:

Project Engineer (Location – PJ)

Responsibilities:

- To be responsible as the key window person between customers and suppliers to co-ordinate all activities encompassing project schedule, material selection, budget, deadline, delivery, process control and quality to ensure that they meet customers' satisfaction.
- To support customers on engineering and commercial activities at Early Supplier Involvement (ESI) stage such as technical and costing proposals to fulfill Request-For-Quotation (RFQ) requirements.
- To lead and support existing and new projects at all stages which encompass product design, prototype development, industrialization and production.
- To co-ordinate cross-functional team in meeting customer deliverables.
- To adhere to and comply with Health, Safety and Environmental requirements and regulations as demanded by customers.

Requirements:

- Degree in Engineering or Science. Exceptional Diploma holders in Engineering may be considered.
- Familiar with either metal precision or plastic injection molding or PCB assembly or final assembly of electronic end products.
- Minimum 2 years of working experience in the above fields, ideally in the project management of products or systems or sub-parts in a manufacturing environment.
- Possess good communication skills and an excellent team player.
- Able to travel frequently.

Interested candidates are invited to apply online or write-in with your detailed resume stating personal particulars, qualifications, employment history, current and expected salaries, contact no. and passport-sized photo (n.r.) to:
